

**Men Of The Trees**  
**(Peel Branch)**

**SCHOLARSHIP**

Men Of The Trees – Peel Branch (MOTT) is an environmental group located in the Peel region. For many years MOTT volunteers have been active propagating and planting native plants. MOTT activities include propagating and planting with schools, coordinating rehabilitation plantings in the community and the sale of healthy native plants from The Shed (nursery) in Dawesville.

Now MOTT is offering an annual scholarship. This scholarship is available to support a student's study in **Certificate III in Conservation and Ecosystem Management** at South Metro TAFE. It is intended for a person whose study will lead them to employment that contributes to the health of Western Australia's native trees and ecosystems.

Eligibility:

To apply for this scholarship, you must:

- The scholarship is open to existing or new students currently enrolled in **Certificate III in Conservation and Ecosystem Management** at. Proof of current enrolment must be supplied on application or prior to the awarding of the scholarship.
- Be aged between 18 and 35 years of age,
- Complete all sections and details of the official application form,
- Be prepared to engage in all conditions of the scholarship, and
- **APPLICATIONS CLOSE JUNE 5<sup>TH</sup> 2026**
